Why it matters: Helps set expectations on complexity and revisions.

How many revisions do you want to include?

YES
I would like a calculation first of how much it would cost.

How to Send Your Request
Email me your filled-out order form along with any specific design requests or ideas you'd like to include.

Confirmation or Online Call
I'll reply to confirm I've received your order. If needed, we can also schedule a short online call to clarify any details.

Review an Example
I'll send you a sample or example layout so you can see the direction we're heading and provide any early feedback.

Payment
Once you're happy with the direction, you'll receive payment details. Design work begins after the payment is received.

Final Delivery
I'll complete the design and send you the final files, ready for use.
